

AMAZ WARM LIFE, SMART COOKING

Nature Meets AMAZ Cooking Science

About us

Amaz group is an international group with capacities of designing, researching and manufacturing. We have been providing Amaz products as well as OEM service. Established in 2000, our company boasts a robust presence with overseas brands including AMAZ, HISENSE, TCL, T&B, RINOKING, and RINOKID.

With over 1500 dedicated workers, we possess extensive facilities comprising one headquarters and five factories spanning 80,000 square meter. Amaz is dedicated to manufacturing home-used electronics and bringing Amaz products to every individual home.

Our R&D department provides strong technical support to global customers, dedicated to developing sophisticated and high-quality kitchen appliances. Our main products include electric stoves, electric kettles, hot plates, microwave ovens, rice cookers, and air fryers. To meet customers' diverse OEM product needs, we are equipped with advanced production equipment such as stamping machines, injection molding machines, presses, and mold-making equipment.
