www.amaz.group

COMPANY PROFILE

2000
SINCE

Amaz group is an international group with capacities of designing, researching and manufacturing. We have been providing Amaz products as well as OEM service. Established in 2000, our company boasts a robust presence with overseas brands including AMAZ, HISENSE, TCL, PATTERS, RINOKING, and RINOKID.

80,000 m
FACTORY

With over 1500 dedicated workers, we possess extensive facilities comprising one headquarters and five factories spanning 80,000 square meter. Amaz is dedicated to manufacturing home-used electronics and bringing Amaz products to every individual home. Our products include: Television, Split Air Conditioners, Floor-standing Air Conditioners, Portable Air Conditioners, Washing Machine and Solar Fans. Our factory has internal and external assembly lines, copper tube die-casting part, injection molding machine, laboratories, refrigerant injection production line, machine testing and other professional equipments.

1,500
EMPLOYEES

350-400K
MONTHLY OUTPUT

Over 25 years effort, we have established a wide customer network in Africa, Asia and America. Amaz already sold to 156 countries so far, 30 different agents all over the world.

35-40
R&D ENGINEERS

Our slogan encapsulates our commitment to fostering long-term relationships: "We wish one customer visits us many times, rather than many customers visit once."

COMPANY CULTURE

Vision

Life's amazing with Amaz

Mission

Technology creates a better life.
Makes our stuffs happily
Both in life & work

Three solutions of IPTV program sources

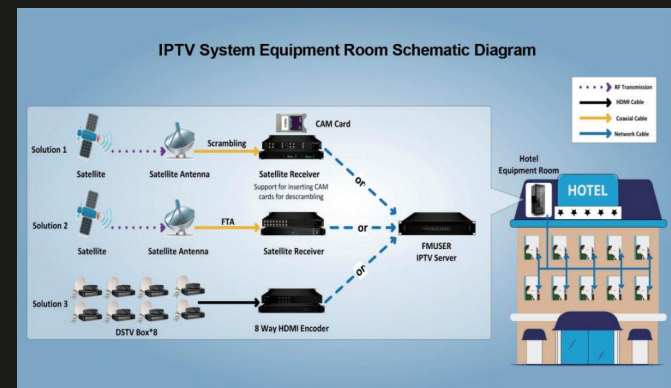

The number of channels that can be viewed in the room

There are 3 options for IPTV program sources:

- Option 1 - using FTA;
- Option 2 - using CAM;
- Option 3 - using DSTV Box.

Choosing different options will result in different numbers of channels that can be viewed in the room.

Please refer to the following introductions for more specification.

FACTORY AND PRODUCTION LINE CONSTRUCTION

Amaz has experience in overseas factory construction and production line installation. We can send engineer to assist in construction, assembly and teach workers.

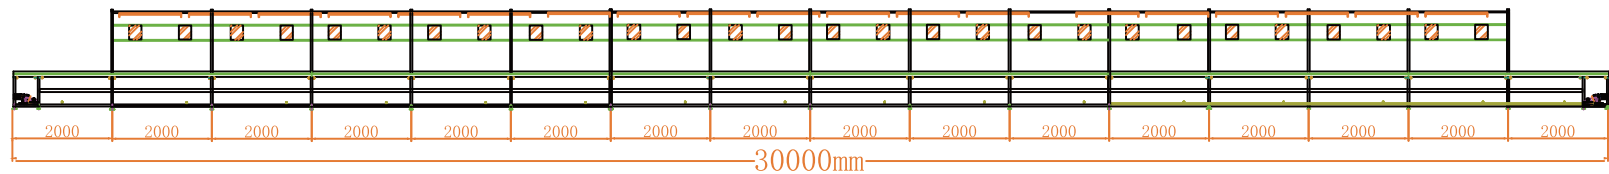

30 Meters Production Line

Top View

Elevation View

It consists of assembly line, inspection, aging and packaging line, independent workbench, etc.
The production line covers an area of about 25 square meters and supports a maximum of 15 workstations.

Take the production of 32-inch LED TV as an example:

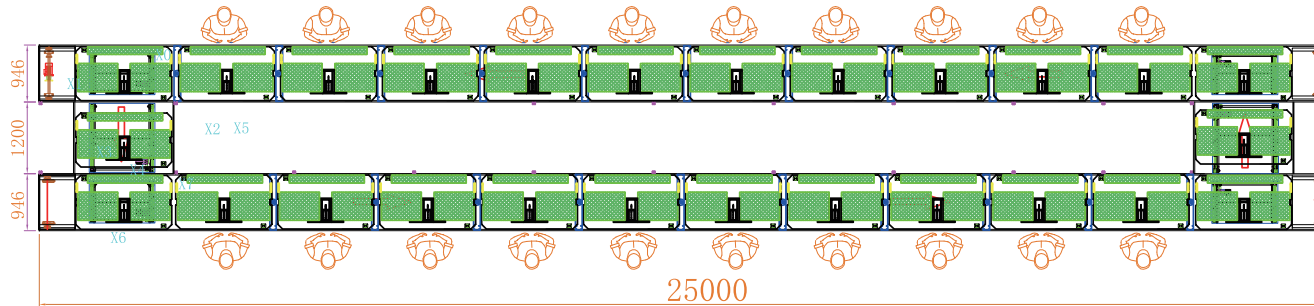

About **15** Workers per production line

Need about **800-1200** square meters factory

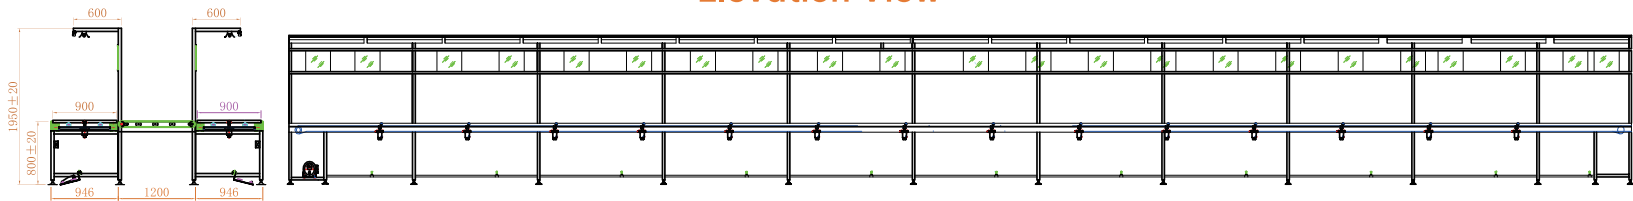

Daily output is about **500-900** sets (8 hours/day)

50 Meters Production Line

Top View

Elevation View

It consists of assembly line, inspection, gine and packaging line, independent workbench, etc.

The production line covers an area of about 78 square meters and supports a maximum of 25 workstations.

Take the production of 32-inch LED TV as an example:

About **25** Workers per production line

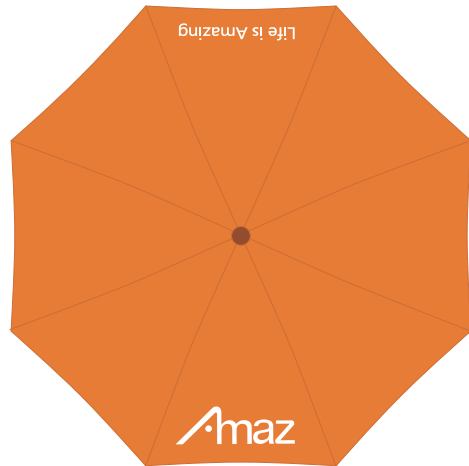

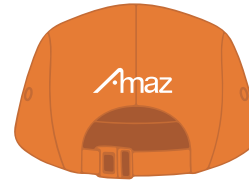

Need about **25** square meters factory

Daily output is about **1000-14000** sets (8 hours/day)
