Amaz Group is an international group with capacity of designing, researching and manufacturing. We have been providing Amaz products as well as OEM service. Established in 2000, our main overseas brands include **T&B** and **BOSS DIGITAL etc.**

Company focuses on the research, development and production of speaker systems, **Trolley & Party Speaker** as one of the core products. As a group company with seven subsidiaries, the company has more than 1500 employees including 30 engineers specialized in electronics, software, structural and electroacoustic designs, who develop 5 new product designs per month. The production base covers an area of 80,000 square meters, including four workshops, 33 production lines, 18 injection molding machines and 7 fully automatic plug-in and sorting machines, with a monthly production capacity of more than 300,000 units. The company strictly implements the ISO9001 quality management system and has a number of international certifications, including 3C, CB, CE, Rohs, FCC, UL and Reach.

Over 26 years' effort, we have established a wide customer network in Africa, Asia, Europe and America. Amaz already has reached 180 countries, 35 different agents worldwide.

We aim at long-term relationships, just like our slogan shows "We wish one customer visits us many times, rather than many customers visit once."
